WHEREAS, pursuant to the Home Rule Charter of the City of New Orleans, the Council of the City of New Orleans ("Council") is the governmental body with the power of supervision, regulation, and control over public utilities providing service within the City of New Orleans; and
WHEREAS, pursuant to Louisiana Revised Statutes Section 33:4159.2, the Council has the power to establish billing policies for the Sewerage and Water Board of New Orleans ("SWBNO"); and

WHEREAS, in October 2025, SWBNO conducted an inspection and did not find any evidence of leaks or issues with the meter; and
WHEREAS, on March 2, 2026, Sabrena Williams requested an arbitration hearing; and
WHEREAS, the arbitration hearing was held on March 5, 2026, and
WHEREAS, on March 31, 2026, the arbiter sent his decision to Ms. Williams, SWBNO, and the Council Utilities Regulatory Office and found "Given the history of extremely elevated usage at this location, it is apparent this will continue until the customer side is inspected by a licensed profession.
